1 gallon (128 fl oz./3.79L)

KEEP OUT OF REACH OF CHILDREN

LEAF-TEK® Plant Cleaner

For cleaning and maintaining the beauty of your delicate Tropical Plants, Containers and all varieties of plants safely. Scientifically formulated by an Interior Plantscaper, to safely clean plants by lifting and removing dust build-up. Leaf-Tek gently cleans and moisturizes the leaf surface resulting in Clean, Vibrant & Beautiful plants. Amazing results every time! Plants are healthier when cleaned with LEAF-TEK, as it removes and repels dust build-up that inhibits the plants photosynthesis process.

NO OILS OR SOAP

Environmentally safe, non-toxic and biodegradable

SAFE FOR ALL PLANTS

DIRECTIONS FOR USE:

1. LEAF-TEK will not harm most floor coverings or furnishings. As a precaution, protect adjacent surfaces from over spray.
2. Spray leaves thoroughly saturating each leaf completely, until cleaner runs off. Let air dry to original beauty. It may be necessary to repeat application for excessive dust build-up.

FOR ADDITIONAL SHINE ADD: LeafGlow, LeafShine or Tropical Mist to LEAF-TEK.

FIRST AID: Skin: Wash off with water. **Eyes:** Flush with water for 15 minutes. If irritation persists, call physician. **Ingestion:** Drink large amounts of water. Call physician.

Buyer assumes all responsibility for safety and use not in accordance with directions.

Keep out of reach of children.
