presents an exclusive new product...

NEW **Flexi-Liners**

- Provides leak-prevention for any container
- Made from soft, flexible, high-quality plastic which can be cut or bent as needed
- Prevents calcium deposits on surface of planters; helps prevent excessive evaporation

Unlike traditional liners, Flexi-Liners conform to the shape of your container. Easily trim to fit with a standard pair of scissors.

Part No.			
I6020	8.3 in	6.3 in	6.3 in
I0266	9.8 in	5.9 in	7.1 in
I0267	11.8 in	8.7 in	8.3 in
I0268	13.8 in	9.8 in	9.4 in
I0269	15.7 in	11.8 in	11.0 in
I0270	17.7 in	13.8 in	12.6 in
I0271	19.7 in	15.0 in	14.2 in
I6021	21.7 in	15.7 in	16.9 in
I0272	23.6 in	17.7 in	17.3 in
I6022	25.6 in	18.9 in	20.9 in
I0277	27.6 in	17.7 in	21.2 in
I6023	31.5 in	23.6 in	27.6 in

Application:

Build up planter to appropriate height, drop in flexi-liner and trim (if necessary).
